

THE ECONOMIC RELATION BETWEEN MEN AND WOMEN AS A FACTOR IN SOCIAL

Doorkeeper..Now, as otter, he was thinking only that he would like to stay otter, be otter, in the sweet brown water, the living river, forever. There is no death for an otter, only life to the end. But in the sleek creature was the mortal mind; and where the stream passes the hill west of Samory, the otter came up on the muddy bank, and then the man crouched there, shivering.. "Irian of Way," the Summoner said in his deep, clear voice, "that there may be peace and order, and for the sake of the balance of all things, I bid you now leave this island. We cannot give you what you ask, and for that we ask your forgiveness. But if you seek to stay here you forfeit forgiveness, and must learn what follows on transgression."..was silent and patient..After the death of Orm the dragons remained a threat in the West, especially when provoked by dragon hunters, but they withdrew from their encroachments on peopled islands and peaceful shipping. Yevaud of Pendor was the only dragon to raid the Inward Lands after the time of the Kings. No dragon had been seen over the Inmost Sea for many centuries when Kalessin, called the Eldest, brought Ged and Lebannen to Roke Island..At that the wizard whose true name was Heleth stood as still as he did, looking back at him, till halfway out the door. As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now. He knew the arteries of fire, and the beat of the great heart. He knew what to do. It was in no tongue of man that he said, "Be quiet, be easy. There now, there. Hold fast. So, there. He looked away so that she could not see his expression..He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had asked around a bit. The father, a longshoreman, had died in the big earthquake, when Silence would have been seven or eight; the mother was a cook at a waterfront inn. At twelve the boy had got into some kind of trouble, probably messing about with magic, and his mother had managed to prentice him to Elassen, a respectable sorcerer in Valmouth. There the boy had picked up his true name, and some skill in carpentry and farmwork, if not much else; and Elassen had had the generosity, after three years, to pay his passage to Roke. That was all Dulse knew about him.. "Come to the shallows," he said.. "It's dangerous," Crow said, "it's pointless," but he made no further objection. There were hundreds of Truce Places on the Four Lands, where no warfare or dispute was permitted. Kargish religion was a domestic and community worship of the Old Powers, the chthonic or gaeon forces manifest as spirits of place. They were worshiped at the site and at home altars with offerings of flowers, oil, food, dances, races, sacrifices, carvings, songs, music, and silence. Worship was both casual and ritual, private and communal. There was no priesthood; any adult could perform the ceremonies and teach children to do so. They asked should they send for the sorcerer over at Westpool, or would their own village witch do. The Master of Iria fell into a screaming rage. "A village witch? A hex-hag to give Irian's daughter her true name? Or a creeping traitorous sorcerous servant of those upstart landgrabbers who stole Westpool from my grandfather? If that polecat sets foot on my land I'll have the dogs tear out his liver, go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went back to his vines, and thirteen-year-old Dragonfly ran out of the house and down the hill to the village, hurling her father's curses at the dogs, who, crazy with excitement at his shouting, barked and bayed and rushed after her..
