There were whirligigs in the second patch, but they lacked the variety and disorder of the originals. "Insignificant." She smiled at them and said, "I am glad you have come for the second piece of the mirror, but it is buried in this frozen shard of ice. Once, when I was a girl, I chopped through a chunk of ice to get to an earring my mother had dropped the night before in a winter dance. That block of ice was the coldest and hardest ice any man or woman had ever seen. This block is ten degrees colder. Can you chop through it?" The fire licks her body. "Over there," said Amos pointing back out the door, "is that end. And over there is this end," and he. "In just a moment," said the thin grey man, "you will see a man living through the happiest moment of his life. But first I must make sure my nearest and dearest friend can see too." He went to the large black trunk, which seemed even blacker and larger, stood it on its side; then with the great iron key he opened it almost halfway so that it was opened toward the mirror. But from where Amos and Jack were, they could not see into it at all. to walk in. "I have some people here. Can it possibly wait?" "Really, what's that?" here I've got to drive, right? wrong. All the NASA people were wrong. The Astronaut Corps fought like crazy to keep you off this trip. Time enough for that on later flights. We were blinded by our loyalty to the test-pilot philosophy of space flight. We wanted as few scientists as possible and as many astronauts as we could manage. We don't like to think of ourselves as ferry-boat pilots. I think we demonstrated during Apollo that we could handle science jobs as well as anyone. We saw you as a kind of insult, a slap in the face by the scientists in Houston to show us how low our stock has fallen." "Good evening," said Amos. "I'm exploring the ship and I have very little time. I have to be up at four o'clock in the morning. So can you tell me what I must be sure to avoid because it would be so silly and uninteresting that I would learn nothing from it?" "Yes.
