Or the twig can be grafted to the branch of another tree (of a different variety even), where it can grow and flourish. In either case, it is an organism with a single parent, and sex has had nothing to do with its making. It is because human beings first encountered this asexual form of reproduction, hi connection with fruit trees probably, that such a one-parent organism of non-sexual origin is called a "twig"; that is, "clone".Thomas td. Disch."In just a moment," said the thin grey man, "you will see a man living through the happiest moment of his life. But first I must make sure my nearest and dearest friend can see too." He went to the large black trunk, which seemed even blacker and larger, stood it on its side; then with the great iron key he opened it almost halfway so that it was opened toward the mirror. Spores that would analyze new proteins and be able to duplicate them. Further than that, some of the plants might have been able to copy certain genetic material if they encountered any. Take a look at that pipe behind you." Singh turned and saw a pipe about as thick as his arm. It was flexible, and had a swelling in it that continuously pulsed in expansion and contraction. Thus, the facts alone make it clear that the King has no such intent His real purpose in building the Project is to provide a haven. A haven to which the people can flee should a second phenomenal ram-fall again cause the Twin Rivers to overflow their banks to such an extent that the entire Plain becomes inundated. Living on that Plain, the members of Local 209 stand to benefit from the Project as much as the rest of the people. For them to have, in effect, sabotaged such a noble undertaking is, frankly, beyond my comprehension, unless their motive for doing so can be partially attributed to their unwitting acceptance of the popular interpretation of the Project's purpose. "Yes," he grinned, "Come on in." He shook his head, perplexed. "I'll tell you, Madeline, it doesn't make sense to me. Surely if you. 11.
