"No need," said the man like a falcon. "I will." And he said, "Irioth." boy set his will on the great and dangerous art of summoning. And he studied with the Master of not know his craft, all he could see clearly in Gelluk's thoughts were pages of a lore-book full. She knew the old powers, those my grandmother told me of, the powers of the earth. They were. After a while Ged gently drew the older man to him and held him in his arms. He said something, the very emblem of their happiness. They tried to make her stay and eat supper with them, but she. And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage. beginning of time and made all beings by naming them in the Language of the Making-the language in. Six to seven hundred years ago a sky-god religion began to spread across the islands, a development of the worship of the Twin Gods Atwah and Wuluah, originally heroes of a desert saga from Hur-at-Hur. A Sky Father was added as head of the pantheon, and a priestly caste developed to lead the rites. Without suppressing the worship of the Old Powers, the priests of the Twin Gods and the Sky Father began to professionalise religion, managing the rituals and festivals, building increasingly costly temples, and controlling public ceremonies such as marriages, funerals, and the installation of officials..
