38, had committed suicide in an apartment court on Las Palmas. (Detweiler hadn't gone very far. The "I can almost feel the weight of those diamonds and emeralds and gold and pearls right now," said. "I'm not disturbing you, am I? I heard the typewriter." The room was indeed identical to mine, though. A similar case is that of H. G. Wells's *The Island of Dr. Moreau*, filmed with superbly demonic atmosphere as *Island of Lost Souls* in 1932. Charles Laughton, maybe the best actor yet to appear on film, gives an extraordinary performance as Dr. M., and Bela Lugosi captures the spirit of the beast men as the Speaker of the Law with the abhuman quality that characterized his *Dracula*. Now Burt Lancaster is one of film's most underrated actors, but his straightforward non-intellectual approach to the doctor role undermined the '70s trip to the Island; Richard Basehart didn't help matters by looking like a beneficent Old Testament prophet in the Lugosi role. But even Laughton and Lugosi would have been hard put to come across, with the later film's completely uninteresting script and camerawork. oblique criticism of Barry's end-of-August tan and the leisure such a tan implied, then started in on the them, either through the mail or by purchase, used them to spy on their neighbors and on people in hotels. It's earlier than usual, but obviously there's enough body heat to keep the dome buoyed aloft I imagine the Central Arena drifting away like that floating city they want to make out of Venice, California. There is something appealing about the thought of this dome floating away like dandelion fluff. But now the massive air-conditioning units hum on and the fantasy dies. "I suppose, then," said Amos, "I've done well to avoid coming here." And he turned around and left. the table, empty. "What I like about you, Barry, is that you manage to say what you think without. Holders of a Temporary License are advised to study Chapter Nine ("The Temporary License") in the Federal Communications Handbook. Thomas Disch is one of the handful of writers whose work is as much admired by critics (and readers) of mainstream as well as science fiction. He wrote six fine stories for *F&SF* in the 1960s. Since then he has published poetry (*The Right Way to Figure Plumbing*), an anthology, *Bad Moon Rising*, and three remarkable novels, *The Genocides* (1964), *Camp Concentration* (1968) and 334. He has just completed a new sf novel, *On Wings of Song*. couch turned into a lumpy bed. The refrigerator looked as if someone had spilled a bottle of Br'er Rabbit. Barry left the cubicle feeling so transcendent and relaxed that he was five blocks from Center St. before he remembered that he'd neglected to have his license revalidated at Window 28. As he beaded back to the Federal Communications Building, his senses seemed to register all the ordinary details of the city's streets with an unnatural, hyped clarity: the smell of sauerkraut steaming up from a hot dog cart, the glint of the noon sun on the mica mixed into the paving blocks of the sidewalk, the various shapes and colors of the pigeons, the very pigeons, perhaps, that had inspired bis so-called idea earlier that day. But it was true, what he'd said. All the pigeons were the same size. "Mm," said Madeline, not unkindly. "It's odd you should put it like that; it's almost a definition of what. With my own little clone. There was a pause. "Well, now that you mention it, you might have come on time. But that's water." Thanks." Setting the tray on the table, she contrived to brush against his left foot. "I see you're. ?I?m surprised there's any problem what to do. Your dancing has already won critical acclaim." With perfect calm and not even a pause in her movement, she said, "He had the press, I believe." She spun once more and finished in a deep curtsy, then straightened and began stripping off her exercise suit. "I'm going to swim. Will you come with me?" Debra certainly isn't. That's why?" (He couldn't resist the chance to explain his earlier failures.) "I did. Nightingale must have run that stinking army hospital in the Crimea. Her tenants were the losers habitating. "I think that's a good idea," said Amos. "You won't get such a bad headache." sailor with the great iron key? who must be the jailor as well, thought Amos. I scooted up in bed and leaned against the headboard. Janke snorted into the pillow and opened one eye, pinning me with it "I dkta't mean to wake you," I said. The topmost platform of the scaffolding was on a level with the serrated apex of the unfinished wall. Getting a grip on the edge of the platform, the King chinned himself and swung his body onto the narrow planking. He stood up, and the wind set his ringleted hair to dancing about his golden crown.. stone. My first two fingers form the snipping blades of a pair of scissors. "I win!" she crows, delighted. They triggered them to be activated only when they encountered certain different conditions. Maybe they knew exactly what it would be; maybe they only provided for a likely range of possibilities. That way they'd know our genetic structure and what lands of food we'd eat, and could prepare.. glove compartment He removed the gun and slipped out of the car. He went down the hill into the brush. "Mine's Ed," said the occupant of the bentwood rocker, a young man of Barry's own age, build, and hair style.. She looked back without stopping. "If you like. I'd like having. his speech was faintly blurred. I'm sure he was in pain, but he tried to act as if nothing were wrong.. demurely. "I was a Goldwyn Girl, you know." "In just a moment," said the thin grey man, "you will see a man living through the happiest moment of his life. But first I must make sure my nearest and dearest friend can see too." He went to the large black trunk, which seemed even blacker and larger, stood it on its side; then with the great iron key he opened it almost halfway so that it was opened toward the mirror. But from where Amos and Jack were, they could not see into it at all. Amanda, too, seemed to think going to Gateside was more trouble than she was worth, but I had my arguments ready. It was just a spectacular hour's ride away; the shopping was immeasurably better, including warehouses of Stargate imports; and since the train ran until midnight, we could have dinner and go to the theater before coming back. That persuaded her. "What do you win?" samples. He watched the thing-bug? turtle?? for a moment, satisfied himself that it wouldn't get too far. "Will you pipe down in there," called the jailor without opening his eyes.. She shakes her head. "It was a lot like this. My pa ran sheep. Maybe a hundred miles north." we'd best be sure it's safe. Meantime, well all sleep in our suits." There were helpless groans at this, but enjoyed them so much I'd bought my own wetsuit But I didn't enjoy it nearly as much as I did Saturday. "What?" I walked back up the beach wondering in bemusement if I could be falling in love with two such. "If you say so," said Amos. He went to the trunk, walked all around it three times, then gingerly lifted the lid. He didn't see anything, so he lifted it further. When he still didn't see anything, he opened it all the way.

"Why, there's nothing in ..." he began. But then something caught his eye at the very bottom of the trunk, and he reached in and picked it up.. "Stand so that the sun is in your eyes," said the North Wind, towering over Amos, "because I do not want anyone else to see before I have." "What about water?" "You feel you can trust me?" She lowered her eyes and tried to look wicked and temptress-like, but possibilities. He didn't relish being a leader. He was hoping Lang would recover soon and take the sister?" The rest of us."Ever think of making a new seat for your pants out of part of that flak-jacket?" Colman asked after a pause. "You're probably gonna need it."The crowd roars back. The filling begins. I cut in four more low-level tracks."Some notice ... I don't know. How can I remember something like that? Why do you ask?".Without breaking stride, she kicked high over her head and grinned at me. "Elevations." Then she stopped and turned to face me. "Ill have to ask you for a tavor. Mandy doesn't know about my practice sessions. Not being a dancer, she wouldn't understand how important this is to me, either. She'd just be upset knowing I was here out of my time. So when you take her to lunch today, please don't mention you saw me."I laughed.."Sometimes it does you good to feel gloomy." One of the pills insisted on getting stuck in bis throat. Just like, he thought, a lie.. "Now before you play," I said, "you must understand that we did not wish it known we were working."It's a very little thing to thank me for," Amos said.
