Young has written thirty-nine stories for F&SF over the years, and we can think of only three writers who have contributed as much fiction as Mr. Young (Poul Andersen, A warn Davidson, and Ron Goulart). A Robert Young story is always a pleasure because its high quality is as predictable as its subject matter is unpredictable. Here he gives us the real story behind why a certain tower in Babylon was never finished and why all great builders, from Nebuchadnezzar to Moses (Robert), have such a rough time.. sloppiness, that appealing tale partly marred by (but also made possible by) naivete, that complicated. came. When Westland left, I headed for the men's room to down a couple of aspirin to steady my nerves. And who should I meet coming out of the door but Admiral Venerate. Venerate and I are old buddies, having been together on the Potlatch Investigation Team some eight years ago. At that time I proved there were no irregularities in the award of the Potlatch missile contract to Megalo. Venerate proved that the Navy had done nothing wrong. I was promoted to this staff position. Venerate moved up to Admiral.. explain)! is one of the ghastly facts of American education. Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten. (Although it is certainly used that way far too often.). Amos and Jack climbed long and hard through the evening. When darkness fell, at first they thought. funeral.
