Bill Buddy: As stated on Page 12 of the Zorphwar Handbook, any Captain completing six consecutive successful missions against the Zorphs is entitled to promotion to Fleet Captain. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much tike ours. And that's when we'll see the makers, when the stage is properly set."
