"That's fascinating, isn't it?" the Usher concluded, after setting forth further facts about this remarkable department store..The inner nest was free-form. The New Amsterdamites had allowed it to stay pretty much the way the whirlibirds had built it, only taking down an obstruction here and there to allow humans to move around. It was a maze of gauzy walls and plastic struts, with clear plastic pipes running all over and carrying fluids of pale blue, pink, gold, and wine. Metal spigots from the Podkayne had been inserted in some of the pipes.
