She wept to think of Diamond hungry, sleeping hard. Cold nights of autumn were a misery to her. But as time went on and she heard him spoken of as Diamond the sweet singer of the West of Havnor, Diamond who had harped and sung to the great lords in the Tower of the Sword, her heart grew lighter. And once, when Golden was down 'at South Port, she and Tangle took a donkey cart and drove over to Easthill, where they heard Diamond sing the Lay of the Lost Queen, while Rose sat with them, and Little Tuly sat on Tuly's knee. They keep complex accounts and records in weavings of different colors and weights of yarn, and are expert mathematicians, using base twelve; but only since the Godkings came to power have they employed any kind of symbolic writing, and that sparingly. Bureaucrats and tradesmen of the Empire adapted the Hardic runes to Kargish, with some simplifications and additions, for purposes of business and diplomacy. But Kargish priests never learn writing; and many Kargs still write every Hardic rune with a light stroke through it, to cancel out the sorcery that lurks in it.."What will you do?" she asked quietly..aboard her. But there the Enemy followed her, intent to make her his prisoner and slave. She took refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the

place, she could withstand the Enemy and force him off the island. "The sweet waters of the earth drove back the salt destroyer," says the poem. Whenever Birch had guests from Kembermouth or from neighboring domains, the herd of deer, the swans, and the fountain of golden wine made their appearance. He also worked up some very pretty fireworks for warm spring evenings. But if the managers of the orchards and vineyards came to the Master to ask if his wizard might put a spell of increase on the pears this year or maybe charm the black rot off the Fanian vines on the south hill, Birch said, "A wizard of Roke doesn't lower himself to such stuff. Go tell the village sorcerer to earn his keep!" And when the youngest daughter came down with a wasting cough, Birch's wife dared not trouble the wise young man about it, but sent humbly to Rose of Old Iria, asking her to come in by the back door and maybe make a poultice or sing a chant to bring the girl back to health..at me. But Gelluk's abrupt fate had shaken him. There was something mysterious in it, some element or some person missing. Summoning the useful Hound to help him, Early had made a very thorough inquiry into what happened. Where Gelluk was, of course, was no mystery. Hound had tracked him straight to a scar in a hillside, and said he was buried deep under there. Early had no wish to exhume him. But the boy who had been with him, Hound could not track: could not say whether he was under that hill with Gelluk, or had got clean away. He had left no spell traces as the mage did, said Hound, and it had rained very hard all the night after, and when Hound thought he had found the boy's tracks, they were a woman's; and she was dead..Never old.
