"If it's a real gift, an unusual capacity, that's even more true. A witch with her love potions can't do much harm, but even a village sorcerer, he said, must take care, for if the art is used for base ends, it becomes weak and noxious.... Of course, even a sorcerer gets paid. And wizards, as you know, live with lords, and have what they wish." Dragonfly found the village witch taking maggots out of an infected cut on a sheep's rump. The. the doorjamb to keep on his feet.. All he saw was a mist on the water, all across the sea beyond the mouth of the bay. Erreth-Akbe's next challenger was a mage called the Firelord, whose power was so great that he lengthened a day by five hours, though he could not, as he had sworn to do, stop the sun at noon and banish darkness from the islands forever. The Firelord took dragon form to fight Erreth-Akbe, but was defeated at last, at the cost of the forests and cities of Ilien, which he set afire as he fought.. Then that was gone and he stood facing the witch-girl. Her look of accusation slowly changed. She. up on quick, laboring wings to the top of the cliffs. They came ashore in Ilien for water and food. Setting a host of many hundreds of men on its way so quickly had left little time for provisioning the ships. They overran the towns along the west shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they could and burning what they left. Then the great fleet turned west, heading for the one harbor of Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there was a high hill above it. As they came nearer, he took dragon form and soared up high above his ships, leading them, gazing into the west for the sight of that hill.. The pain came and went, the darkness remained. Once it lightened a little into a twilight in which he could dimly see. He saw a slope running down from where he lay towards a wall of stones, across which was darkness again. But he could not get up to walk to the wall, and presently the pain came back very sharp in his arm and hip and head. Then the darkness came around him, and then nothing.. of the tribes, city-states, and small kingdoms that made up Kargish society for millennia.. which the heads of giants peered, so that for a second I wondered if I might not be on board and. here either. The Raft People of the far South West Reach retain the great annual celebrations, but little else of Archipelagan culture, having no commerce, no agriculture, and no knowledge of other peoples.."I won't sail my boat across Havnor, dear love. I plan to go around it. By water." He could always make her laugh; he was the only one who could. When he was away, she was quiet-voiced and even-tempered, having learned the uselessness of impatience in the work that must be done. Sometimes she still scowled, sometimes she smiled, but she did not laugh. When she could, she went to the Grove alone, as she had always done. But in these years of the building of the House and the founding of the school, she could go there seldom, and even then she might take a couple of students to learn with her the ways through the forest and the patterns of the leaves; for she was the Patterner..understood. "A wizard can't have anything to do with women. With witches. With all that."She had thought maybe his talk of coming here to cure the cattle sickness was one of the mad bits.."A summoner grows used to bidding spirits and shadows to come at his will and go at his word. Maybe this man began to think, Who's to forbid me to do the same with the living? Why have I the power if I cannot use it? So he began to call the living to him, those at Roke whom he feared, thinking them rivals, those whose power he was jealous of. When they came to him he took their power from them for himself, leaving them silent. They couldn't say what had happened to them, what had become of their power. They didn't know..Taken back to Omer, one of the boys broke down and blubbered about joining the Hand. Hearing that."Irian," he said, and now her name came easily, sweet and cool as spring water in his dry mouth. "Irian, here's what you must do to enter the Great House..." .from other witches and from sorcerers, not from wizards. What we teach here is in a language not.Now Medra felt that he had been asked the question on which the rest of his life hung, for good or evil. Again he stood silent a while. He started to speak, and didn't speak, and finally spoke. "I could not save one, not one, not the one who saved me," he said. "Nothing I know could have set her free. I know nothing. If you know how to be free, I beg you, teach me!" .grew pink. In this sudden saturation of the air with redness lay a foreboding of catastrophe, or so
