"My son, there is no reason," she said, suddenly passionate, "there is no reason why you should give up everything you love!" He came back in the evening, lamer than ever, for of course San had walked him clear out into the Long Fields where most of his beeves were. Nobody had horses but Alder, and they were for his cowboys. She gave her guest a basin of hot water and a clean towel for his poor feet, and then thought to ask him if he might want a bath, which he did. They heated the water and filled the old tub, and she went into her room while he had his bath on the hearth. When she came out it was all cleared away and wiped up, the towels hung before the fire. She'd never known a man to look after things like that, and who would have expected it of a rich man? Wouldn't he have servants, where he came from? But he was no more trouble than the cat. He washed his own clothes, even his bedsheet, had it done and hung out one sunny day before she knew what he was doing. "You needn't do that, sir, I'll do your things with mine," she said. He could make a living as a finder there, and he liked the tavern, and Otter's mother's hospitality. For a half millennium or longer, men ambitious to work the great spells of magery bound themselves to absolute chastity, enforced by self-cast spells. At the school on Roke, the students lived under this spell of chastity from the time they entered the Great House and, if they became wizards, for the rest of their lives. survived were wise women and their children, who had hidden themselves in the town or in the simply vanished -- and the thing took off with such force that it must have flattened him against the limited habitable land available to them.
