Nobody on Roke starved or went unhoused, though nobody had much more than they needed. Hidden from the rest of the world not only by sea and storm but by their defenses that disguised the island and sent ships astray, they worked and talked and sang the songs, The Winter Carol and The Deed of the Young King. And they had books, the Chronicles of Enlad and the History of the Wise Heroes. From these precious books the old men and women would read aloud in a hall down by the wharf where the fisherwomen made and mended their nets. There was a hearth there, and they would light the fire. People came even from farms across the island to hear the histories read, listening in silence, intent. Their language and some of their beliefs are closer to Kargish than to Hardic. These far Northerners probably descend from Kargs who, after settling the four great Eastern lands, sailed back to the West about two thousand years ago..And yet Ember said to Medra, "We were our own undoing." .She considered herself, sitting in the deep silence of the Grove. The other had jumped from the ship, crossing Havnor Bay, and been killed by a crossbow quarrel. The boy they brought was in such a paroxysm of terror that even Early was disgusted by him. How could he frighten a creature already blind and beshatten with fear? He set a binding spell on the boy that held him upright and immobile as a stone statue, and left him so for a night and a day. Now and then he talked to the statue, telling it that it was a clever lad and might make a good prentice, here in the palace. Maybe he could go to Roke after all, for Early was thinking of going to Roke, to meet with the mages there.. "And?".the flowers -- and my voice failed me. She was calmly chewing

"Thank you," he said, opening the gate for the heifer, who went to greet her mother, while he stumbled across the dark houseyard to the door. "Oh, are you a teller? Oh, why didn't you say so to begin with! Is that what you are then? I wondered, it being winter and all, and you being on the roads. But with that horse, I thought you must be a merchant. Can you tell me a story? It would be the joy of my life, and the longer the better! But drink your soup first, and let me sit down to hear..." Still it rankled him that Diamond had let him down flat, without a word of thanks or apology. So much for good manners, he thought. Azver frowned. The last beans had got big and coarse on the vines; the cabbages were thriving. Three hens came clucking and pecking around the dusty dooryard, a red, a brown, a white; a grey hen was setting her clutch in the henhouse. There were no chicks, and no sign of the cock, the King, Heleth had called him. The king is dead, Ogion thought. Maybe a chick is hatching even now to take his place.
