All Daisy's ballads of the Hoary Men who sailed out of the east to lay the land waste and spit innocent babes on their lances, and the story of how Erreth-Akbe lost the Ring of Peace, and the new songs and the King's Tale about how Archmage Sparrowhawk had gone among the Hoary Men and come back with that ring - could not rouse him. Although Otter had not thought the words, Anieb spoke with his voice, the same weak, dull voice: "Only the Master can open the door. Only the King has the key." "We'll have to see," said Alder, the next day, "if my beasts are cured. If they make it through the winter, see, we'll know your cures all took, that they're sound, like. So he took the crown himself. And some say that's wrong, and he doesn't rightly hold the throne. But others say the king himself is the new Archmage. But he isn't a wizard, only a king. So others say the dark years will come again, when there was no rule of justice, and wizardry was used for evil ends." The sense of huge strength was draining out of her.
