He had no words to tell her his deer form..Then all the blankets fell away, and a man with more colors on him than Amos had ever seen sat up rubbing his eyes. His sleeves were green silk with blue and purple trimming. His cape was crimson with orange design. His shirt was gold with rainbow checks, and one boot was white and the other was black..Then she turned and telephoned the police.. "Why," said Jack, "I am a prince because I am worthy to be a prince, and with me is a woman." "You might," said Amos. But though his heart was with Jack, he still felt a good spirit was important to keep up. "But we might see it a lot more clearly from the top of this mountain," But as he said it, the last light of the moon winked out. Now even the stars were gone, and the blackness about them was complete. But as they turned to seek shelter in the rising wind, Amos cried, "There's a light!" A clone is any organism (or group of organisms) that arises out of a cell (or group of cells) by means other than sexual reproduction. Put it another way: It is an organism that is the product of asexual reproduction. Put it still another way: It is an organism with a single parent, whereas an organism that arises from sexual reproduction (except where self-fertilization is possible) has two parents..
