Too soon, it seemed, Selene was shouting, "Don't go to sleep, Gordy. It's time to get out." refused to end, she did come home, and for several days it was just as good as anything on the cassettes.. "It's marvelous," Amanda said. "And people actually live in them?" .167. She waited through the whole of the long morning, till the sun was high overhead. All you need do is go to Hidalgo who owns the Mariner's Tavern and ask her who has red hair, is so tall, with such eyes, and she will tell you, 'It is her own darling Amos.' Her fingers dig into my arms. Her face is fierce. "This has got to be better than what I do on stage." She swings away from me. "Shit!" she says. "Damn it all to hell." She stands immovable, staring down the mountain for several minutes. When she turns back toward me, her eyes are softer and there's a fey tone in her voice. "If I die?" She laughs. "When I die. I read once about a horse whose tendons were cut just a little, but he never was able to race again." The music changed from the Sondheim medley to the flip side of The Four Seasons, and Barry's chair lifted him up and bore him off toward the couple in the blue settee, while Ed, limp in the bentwood rocker, was carried off in the opposite direction.. "Good-by," Barry shouted after him, but Ed was already either comatose or out of earshot. "And thanks again!" I helped her to her feet and into her cape. Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at his liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of bis heart's desire. Most people he

met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. The acrimonious divorce of former Olympic runner Margot Randall and Senator Charles Christopher Gail had traumatically divided not only Amanda's childhood but her very psyche. Five years ago, when Margot Randall died hi a hovercraft accident and Amanda moved to Washington full-time, it emerged that for most of her childhood, Amanda Selene Gail had been two personalities, Amanda Gail and another calling herself Selene Randall.
