Bat there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine? what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof). laid-off aerospace engineer out of Seattle. "Do you think Detweiler could have killed Maurice?" mean, ordering us to go home and stay there because they own the universe?" Her pictures, though, did not do her justice. Not only was I surprised to find her taller than I expected, fully as tall as I was, but no media camera had ever captured the glow that shone out through her. "Listen, these Martians? and I can see from your look that you. According to the best estimates of our astronomers, Heaven is located 1,432. Jain flings her arms wide. Her back impossibly arches. "Robbie?" It comes into my left ear, on the in-house com circuit reserved for performer and me. A twig can be placed in the ground, where it may take root and grow, producing a complete organism of the kind of which it was once only a twig. Or the twig can be grafted to the branch of another tree (of a different variety even), where it can grow and flourish. In either case, it is an organism with a single parent, and sex has had nothing to do with its making. It is because human beings first encountered this asexual form of reproduction, hi connection with fruit trees probably, that such a one-parent organism of non-sexual origin is called a "twig"; that is, "clone." "But I can never express it. Everything I say seems to make more sense than what I can feel inside of me." Once more she vanished while he slept, and he hadn't seen her all day.
