

THE MARTYR OF ANTIOCH A DRAMATIC POEM

I hesitate, then say, "Sure, I'm almost done with the board." 9. A poem that skirts all around a secret she's never told anyone and then finally decides to keep it a. "No. They said he'd been dead over an hour. What did Desmond tell you?" .uppers..I took a deep breath and lied with a straight face. "I promise." .anything. But I do have some knowledge that might prove useful." .her hand. "Selene," I called. "I can't reach her. Help me." .I was sorry to hear That you've got to be going. But you're not? Then I'm sorry to hear that. "If I didn't mean it," said Marvin Kolodny, "do you think I'd have had it tattooed on my arm?" .The grey man looked back over his shoulder, but all he saw were the bright colors of the garden..pumped water for two weeks, then stopped. When Song examined them, she reported the bearings were.across the Detweiler boy's back. The thing reached out its hand and wiped the drop back with a.Suddenly he was at the window, climbing out and dropping to the matted sward below. He ran across the clearing, through the trees and into the open space before the riverbank..Then, in his deer heart, her brother would know the day's enchantment was at an end and run swiftly home. There, at the lintel over the cottage door, he would rub between his antlers till the hide on his forehead broke bloodlessly apart He would rub and rub fur-flier still till the brown hide skinned back along both sides and he stepped out a naked man..Amos was so delighted he jumped up and down. The prince swam to shore, and Amos helped him.Lang raised her eyebrows. "Yes, it was under the dome. The air we exhausted was warm, you see,.name?" .Something came around the end of the couch. It wasn't a cat. I thought it was a monkey, and then a.teeth chattered.. "I don't know quite what to do with it," Song admitted. "If it's the only one, I don't dare dissect it, and maybe I shouldn't even touch it".Earth and Moon? And why right here, in the graveyard?" .?I'm pregnant," she announced to them that night, causing Song to delay her examination of the white.he tried to pretend he wasn't. "That is what I call action!" he cried..one complained. They simply went on climbing, steadily through the hours. Once Jack paused a moment."Are they valuable?" .over Amos' wet clothes?and at last he began to inquire whom Amos had solicited from the sailors to go.Few of the younger astronauts, scientists, engineers, and North American Space Development Organization executives could remember NASDO without Congreve as its president. For all of them, things would never be quite the same again..don't want me to say anything about you, but I don't want to lie to her." .227."I had it clamped down, and the drill-did I turn it on, or not? I can't remember. I was after a core.She nodded. "And go berserk. It was awful No one can live that way." .Nolan smiled at the sound, then nodded at Mama. ?I'm going to turn in now. You take good care of.Barry thought that in many ways her problems bore a resemblance to his, at least insofar as they both had to look for intellectual companionship outside the bonds of marriage. But when he began to elaborate upon this insight and draw some interesting parallels between his experience and hers, Columbine became impatient. She did not come right out and tell him that he was in breach of contract, but that was definitely the message conveyed by her glazed inattention. Responsive to her needs, he resisted the impulse to make any further contributions of his own and sat back and did his level best to be a good listener and nothing more..coincidences. Yeah, "un-believable" was the key word. He had to be involved unless the laws of.woman in the foreground. He realized with a little zing of elation that he had just administered his first snub!"Only the shiny surface of things keeps us apart," said Lea. "Now if you dive through here, you can swim out from under the boat." .Crawford shrugged, uneasy at the question. He didn't know if it was the right time to even postulate that they might fail..proud flying machine. "I always thought it would be something flashy, or at least obvious. An alien artifact mixed in with caveman bones, or a spaceship entering the system. I guess I was thinking hi terms of pottery shards and atom bombs." .His first endorsement proved to have been beginner's lock. Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at hs liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of bis heart's desire. Most people he met were temps, and the few Permanent License holders

inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon. Quid pro quos were the gen- and unclasping his fingers on the arm of the couch. two bound figures, walked up to the door. She rolled to her feet Swinging up onto the deck, she began using the railing as a bar for ballet. There's one sure gauge for judging a part of town: the movie theaters. It never fails. For instance, a new picture hadn't opened in downtown L.A. in a long, long time. The action ten years ago was on the Boulevard. Now it's hi Westwood. The grand old Pantages, east of Vine and too near the freeway, used to be the site of the most glittering premieres. They even had the Oscar ceremonies there for 8 while. "What did you see?" ahead. further attraction of their store, since one's exchanges with them were limited to such basic permissible amenities as "How are you," "Take care," and giving out prices. It must develop, specialize, and grow larger until it has developed the necessary ability to live. And when it is grown. "Innocent people usually don't have alibis, especially not one every three days." wanted to talk to, but he didn't know what to talk about. He had no ideas of his own. He agreed with. "Very well then, I have a plan." Again Amos began to whisper through the bars, and Jack smiled and. "What's it like on a ranch?" I drive west, away from the soiled towers of the strip-city. I drive beyond the colstrip pits and into the mountains until the paved highway becomes narrow asphalt and then rutted earth and then only a trace, and the car can go no further. With the metal cylinder in one hand I flee on foot until I no longer hear sounds of city or human beings. They looked at the floor. Then Jack got down on his hands and knees and looked under the cot. "I sought the deer today. And what I seek, I find." He did not turn. "We ran him long, my dogs and I. When he was at bay, he fought hard. I gave the beast's liver and heart to my dogs. But this I saved for you." "It doesn't. Believe me." 270 Samuel R, Delany. 133. Nolan smiled at the sound, then nodded at Mama. "I'm going to turn in now. You take good care of him." I have tried to speak to general issues rather than "defend" my own criticism. Issues are, in any case, more important than personalities, although there is a (small) section of fandom which sees in aesthetic or political disagreement nothing but personal squabbling motivated by envy. It's not for me to judge how good my criticism is; if enough readers think it's bad, and the editor thinks so too, presumably hell stop printing it although writing book reviews (except for places like the New York Times) is underpaid, overworked, and a labor of love. The problem is usually to recruit reviewers, not discourage them. "I have an idea on that," McKillian said. "I've had it in mind to do some studies around the dome to see if the altered moisture content we've been creating here had any effect on the spores hi the soil.
