By the end of the day I still thought it had been a good idea, though my feet ached from following her through what had to be every shop in Gateside before Amanda found a gift she thought worthy of her father. I requested a window table at the Beta Cygnus, where we could get some coffee and rest while we watched cafe patrons and people in the street outside.. "Isn't he the one who was killed in an accident last night?" I lived on the Heliomere myself, just a kilometer away from Amanda's cabin. I don't sleep late, and the next morning while I was taking my wake-up walk along the beach, I saw no reason not to pass her cabin. I could take a brief look to make sure everything was all right, then come back for her at noon as agreed. I was enjoying the frosty bite of the air in my nose and throat and the surreal effect of the steam rising off the dawn-pink Heliomere when I saw Amanda running up the beach toward me, her hair flying long and loose around her.. wizard had to ask my help to put it there." .88."Yes. Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten.
