".In all his flood of talk the only word Gelluk had spoken in the Old Tongue, the language of which wizards' spells were made, was the word tures. He had said it meant semen. Otter's own gift of magery had recognized that meaning as the true one. Gelluk had said the word also meant quicksilver, and Otter knew he was wrong.. "I am Anieb," she whispered.. "Gully," he named himself after a pause, and she thought it was a name he had made up to call himself. It did not fit him. Nothing about him fit together, made a whole. Yet she felt no distrust of him. She was easy with him. He meant no harm to her. She thought there was kindness in him, the way he spoke of the animals. He would have a way with them, she thought. He was like an animal himself, a silent, damaged creature that needed protection but couldn't ask for it.. "I don't think it's true. His voice shook a little now, a vibrato, and his eyes were not sad, but angry..Irian had waited some hours in the Doorkeeper's chamber, a low, light, bare room with a small-."I'll get the water," Tern said. He took the basin and went out to the courtyard, to the well. Just as before, Crow was sitting on the coping, bored and restless..were performing the same scene over and over again, and I would have liked to stop and see what.Down in their tiny cabin Dragonfly sat waiting for him, solemn as ever but her eyes blazing with excitement. "We'll go ashore in the morning," he repeated to her, and she nodded, acceptant..On the island of Ark, and in Orrimy on Hosk, and down among the Ninety

Isles, there are tales about a man who came seeking for a land where people remembered the justice of the kings and the honor of wizards, and he called that land Morred's Isle. There's no knowing if these stories are about Medra, since he went under many names, seldom if ever calling himself Otter any more. Gelluk's fall had not brought Losen down. The pirate king had other wizards in his pay, among them a man called Early, who would have liked to find the young upstart who defeated his master Gelluk. And Early had a good chance of tracing him. Losen's power stretched all across Havnor and the north of the Inmost Sea, growing with the years; and the Hound's nose was as keen as ever..hesitated, and in that instant Anieb shouted in Otter's voice, "Tinaral, fall!".hatch. Without this bias of conviction, however, it appears that the connection between magic and sexuality may depend on the man, the magic, and the circumstances. There is no doubt that so great a mage as Morred was a husband and father..breath smelled earthy. His light eyes gazed directly into Otter's eyes. All his."Ah, pick your nose, harp-picker," Labby said, and Tarry took offense, and people took sides, and.said, "I can't do it by myself.".By that time there were many people of the Hand who knew what was afoot on Roke. Young people came there sent by them. Men and women came to be taught and to teach. Many of these had a hard time getting there, for the spells that hid the island were stronger than ever, making it seem only a cloud, or a reef among the breakers; and the Roke wind blew, which kept any ship from Thwil Bay unless there was a sorcerer aboard who knew how to turn that wind. Still they came, and as the years went on a larger house was needed for the school than any in Thwil Town..file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (81 of 111) [2/5/2004 12:33:31 AM].The making from the unmaking..fellow in a worn sea-cloak.
