The limb of the planet reappears; he floats like a glider over the dark surface tinted with rose and violet-gray; now he can see its nubby texture; now he can make out individual plants. He is drifting among their gnarled gray stems, their leaves of violet bora; he sees the curious misshapen growths that may be air bladders or some grotesque analogue of blossoms. Now, at the edge of the screen, something black and spindling leaps. He follows it instantly, finds it, brings it hugely magnified into the center of the screen: a thing like a hairy beetle, its body covered with thick black hairs or spines; it stands on six jointed legs, waving its antennae, its mouth parts busy. And its four bright eyes stare into his, across forty million miles.."Very well then, I have a plan." Again Amos began to whisper through the bars, and Jack smiled and..red and blue lines. Young. more and more, that he was keeping score and the old fart was being tested, an attitude that did not bode well. Finally, with ten minutes left on the clock, he'd just up and left, which was not, strictly speaking, a violation. It did imply that some kind of closure had been achieved, which definitely was not the case; he'd panicked, pure and simple. A fiasco from which he'd naturally feared the worst in the form of a letter addressed to Dear Applicant. ("We regret to inform you, etc. . . .") But possibly the old fart had been making things deliberately difficult, testing him, possibly his reactions hadn't been that entirely inappropriate. Possibly he'd passed.. "Hell, those were grossly overblown. I just happened to get into some scrapes and managed to get out of them." "So. We have a thing here that eats plastic. And seems to be made of plastic, into the bargain. Any ideas why it picked this particular spot to grow, and no other?" "Bat there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine? what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof).. trace, and the car can go no further.
